[RAYBURN/CANNON/LONGWORTH] House Office Building
Washington, DC 20515

URGENT: Co-Sponsor Rep. Greg Meeks (D-NY) HR 2733

Dear Representative **[NAME OF REP]**,

I appeal to you as a constituent and small business owner – save my business by co-sponsoring HR 2733!

It is critical that you stand up for consumers who have benefited from indexed annuities and assure that they continue to be regulated as insurance rather than securities. The SEC has proven that they are not capable when it comes to protecting consumers.

[YOUR STATE] residents need reliable vehicles in which to safely protect their retirement savings – indexed annuities are such a reliable vehicle that should be preserved. We are counting on you to stop any further demise of **[YOUR STATE]** residents' retirement dreams.

This regulation will ultimately harm my business; my customers as well as countless other **[YOUR STATE]** residents for no reason whatsoever. We need to stop the bleeding. Enough **[YOUR STATE]** jobs and people have been hurt.

Please, step up to the plate, Congressman **[NAME OF REP]** , and do the right thing for your state.

We are counting on you!

Sincerely,

[YOUR NAME]
