Critical and Urgent – PLEASE CO-SPONSOR HR2733 Immediately!

Dear Representative **[NAME OF REP]**:

Please help me preserve jobs in our community by Co-sponsoring HR 2733. HR 2733 would restore the regulatory landscape regarding Fixed-Indexed-Annuities and preserve this guaranteed insurance product for Middle America.

HR 2733 would 'roll back' the SEC Rule 151A which has been widely-criticized; even Barney Frank has said it was a "midnight rule from the last days of the prior Administration." Please help! This is the most critical issue that I am following in the current legislative session.

Please reach out to Rep. Greg Meeks' Office to get your name on HR 2733 immediately!

Regards,
